

East of the Sphinx

Date

Sat, 02/20/2021 - 12:15

Activity

Snowmobiling

Triggered a large slide with a snowmobile. Went all the way to the ground. Crown seemed to range anywhere from maybe 3 ft to 10 ft. Large slabs of snow broke free and slid for about 100 yards

Region

Southern Gallatin

Location (from list)

Sphinx Mountain

Observer Name

Wyatt Carda
