

Bacon Rind Skillet Avalanched

Bacon Rind

Southern Madison

2/16/2024

Code

R2-D1.5

Elevation

8900

Aspect

NE

Latitude

44.96090

Longitude

-111.10000

Notes

From obs on 2/20: "The skillet slid sometime recently. Based on the snow on top I'm guessing Thursday-Friday last week (Feb 15-16th), but it could have happened up to a week earlier. Broke ~2 ft deep, 150 ft wide, and it was hard to tell how far it ran, but I'm estimating 200 vertical feet."
