

Soft slabs on Buck

Date

Sat, 12/21/2024 - 13:00

Activity

Snowmobiling

From email: "Rode buck today. It was very windy this week. Open areas are quite scoured, but there are still great stashes to be found if you hunt around. We triggered a 12" soft [wind slab](#) on a NE facing slope at 9,5k'."

Region

Northern Madison

Location (from list)

Buck Ridge

Observer Name

Julian Gerardi
